DOCNEST™ CLINICAL SOFTWARE EXPENSE AUDIT

Function-by-Function Creation Costs & Hostinger Server Operating Expenses

COMMERCIAL AUDIT
REF: EXP-AUDIT-2026-H

Date: October 2026
Deployment: Hostinger Server

SPECIAL HOSTINGER INFRASTRUCTURE BENEFIT: Because the clinic owner already owns a server in **Hostinger**, the software will be deployed directly onto their existing server! This completely eliminates third-party cloud hosting fees (saving **~Rs. 1,680 / month**) and provides **Free Lifetime SSL Security**, unlimited patient bandwidth, and automated server snapshots at **Rs. 0 additional hosting cost**.

1. Cost of Making (Development & Engineering) — Function by Function

One-time custom software engineering value broken down module by module:

#	Clinical Function / Module	What is Engineered in This Function	One-Time Value
1	**Doctor OPD Live Token Controller** Consultation Chamber	Real-time token caller, audio chime synthesizer, pause/resume OPD, skip patient, reset queue counter, instant waiting-ring progression.	**Rs. 25,000 – 35,000**
2	**Digital Prescription (Rx) Builder** Prescription Engine	Pre-loaded drug formulary autocomplete, standardized dose schedules (1-0-1, After food), diagnosis templates, thermal print formatting.	**Rs. 30,000 – 40,000**
3	**1-Click WhatsApp Prescription Delivery** Mobile Sharing Engine	Direct WhatsApp messaging hook delivering formatted digital prescriptions with clinic header, medicines, advice & follow-up dates to patient phone.	**Rs. 15,000 – 20,000**
4	**Waiting Room Smart TV Display** Lobby Monitor Mode	Fullscreen 1080p kiosk interface, real-time WebSocket token listener, audio chime integration, live doctor status & clinic branding.	**Rs. 15,000 – 22,000**
5	**Reception Desk & Dynamic QR Flyer** Front Desk Counter	5-Second walk-in token generation, dynamic SVG/Canvas QR poster generator for reception desk self-service queue tracking.	**Rs. 15,000 – 20,000**
6	**In-House Pharmacy Dispensing Portal** Compounder Screen	Live prescription ingestion from doctor cabin, medicine checklist, status flags (Pending, Dispensed), and automatic total billing calculator.	**Rs. 22,000 – 30,000**
7	**Patient Web Portal & Mobile Tracker** Patient Self-Service	Mobile-first responsive portal, doctor search, appointment slot booking, live token progress ring from home/market, past prescription history.	**Rs. 25,000 – 35,000**
8	**AI Cash Fee Ledger & Anomaly Auditor** Financial Audit	Reconciliation algorithm cross-verifying doctor token advancements against front-desk cash receipts to catch uncollected/leaked fees.	**Rs. 20,000 – 28,000**
9	**Doctor Schedule, Shifts & Leave Manager** Timings & Holidays	Morning and evening shift slot configuration, holiday lockouts, emergency leave broadcast to patient web portal.	**Rs. 12,000 – 16,000**
10	**Admin Dashboard & Role Security (RBAC)** Master Control	Multi-role security guards (Doctor, Compounder, Receptionist, Admin), doctor verification, revenue analytics, and bank payout logs.	**Rs. 18,000 – 25,000**

ESSENTIAL CLINIC SETUP (Functions 1-5, 7, 9):
Rs. 1,25,000 (One-Time)

FULL POLYCLINIC + PHARMACY (All 10 Functions):
Rs. 2,45,000 (Recommended)

ZERO-RISK MONTHLY PLAN:
Rs. 25,000 Setup + Rs. 4,000 / mo

2. Granular Running Expenses & Fees (Minors to Minors)

Line-by-line operating expenses for a busy polyclinic handling ~1,500–2,500 patients/month, deployed on Hostinger:

#	Expense Line Item	Provider / Mechanism	Billing Basis / How it Charges	Monthly Cost (INR)
1	**Web Application Server**	Owner's Hostinger Server	Runs via Node.js / PM2 / Nginx on owner's existing server	**Rs. 0 / mo (SAVED)**
2	**SSL Security (HTTPS Padlock)**	Hostinger / Let's Encrypt	Auto-renewing 256-bit medical data encryption certificate	**Rs. 0 / mo (Free)**
3	**Clinic Domain Name (`.com`/`.in`)**	Hostinger / GoDaddy	Annual renewal ~Rs. 1,020 prorated monthly	Rs. 85 / mo
4	**Real-Time Live Token Database**	Supabase PostgreSQL	Free tier up to 50k users (Rs. 0) OR Pro dedicated backups ($25)	**Rs. 0 – Rs. 2,100 / mo**
5	**WhatsApp Prescription Delivery**	Direct Web Protocol	Opens pre-formatted Rx directly from doctor's phone WhatsApp	**Rs. 0 / mo (100% Free)**
6	***Optional: Meta WhatsApp API**	Meta Cloud API (Background)	Rs. 0.41/msg for ~1,500 automated background messages	~Rs. 615 / mo (Optional)
7	**Fallback SMS (Keypad Phones)**	Fast2SMS / MSG91	Transactional SMS for ~150 elderly patients without WhatsApp	Rs. 30 / mo
8	**Payment Gateway: UPI (GPay/PhonePe)**	Razorpay / Cashfree	Mandated 0% transaction fee by RBI on all UPI transactions	**Rs. 0 / mo (100% Free)**
9	**Payment Gateway: Card Fee (MDR)**	Razorpay	2.36% fee *only* if patient pays by Credit Card (~Rs. 15,000 volume)	~Rs. 354 / mo
10	**Daily Automated Cloud Backups**	Hostinger + Supabase PITR	Daily snapshots of all prescriptions and financial records	**Rs. 0 / mo (Included)**
11	**Waiting Room TV Electricity**	UPPCL Commercial Tariff	43" LED TV running 8 hrs/day × 26 days (10.4 units @ Rs. 8.50)	Rs. 88 / mo
12	**Fire TV Stick Amortization**	Amazon Hardware	Rs. 2,999 hardware cost amortized across 36-month lifespan	Rs. 83 / mo
13	**Clinic Broadband Wi-Fi Share**	Broadband (Jio / Airtel)	Prorated software bandwidth consumption (<3 GB / month)	Rs. 100 / mo
14	**Thermal Paper Rolls (Walk-ins)**	Local Stationery	2 paper rolls/month for optional printed slips for elderly patients	Rs. 60 / mo
15	**Developer Maintenance & SLA Support**	Engineering Partner	Hostinger server updates, staff support, drug formulary changes	**Rs. 4,000 – 5,000 / mo**

TWO HOSTINGER DEPLOYMENT OPTIONS FOR THE CLINIC:

• **OPTION A (Hybrid — Recommended):** Web App on Hostinger (Rs. 0) + Supabase Realtime DB in Mumbai AWS (Rs. 0–2,100). Total monthly running: **~Rs. 2,800 + Developer Support**.

• **OPTION B (100% Self-Hosted on Hostinger VPS):** Both Web App & Database installed directly on Hostinger VPS via Docker. Direct Web WhatsApp. Total monthly third-party cloud bill: **LITERALLY Rs. 0!**

WITHOUT HOSTINGER:	WITH HOSTINGER (OPTION A):	WITH HOSTINGER (OPTION B):
Cloud Bills: ~Rs. 4,874 / mo	Cloud Bills: ~Rs. 700 – 2,800 / mo	**Third-Party Cloud Bills: Rs. 0 / mo**
